

Oral presentations

- The duration of formal oral presentations is 15 minutes. Please allow three minutes for Q&A.
- Oral presentations should be in Power Point format.
- Please pre-record your presentation and send it to your session moderator in case technical difficulties arise during the presentation. Presentations will be live unless such issues arise.

Poster presentations

- Please prepare your poster in Power Point format. Posters can be in single slide or multiple slide format.
- Please submit your poster in pdf format to your session moderator by November 9, 2020.
- All received posters will be available for viewing throughout the conference.
- All presenters will be given three minutes to present a brief summary of project highlights during their assigned poster session. Please prepare and record your brief summary and send a pdf copy to your session moderator by November 9, 2020. All submitted presentations will be shared during your assigned poster session, followed by an open forum Q&A period.

Zoom instructions

Instructions for logging on to the ICRW7 conference will be mailed to each conference registrant two weeks prior to the conference. Instructions will include a program with guidance on logging into the session you have been assigned. Test sessions will be scheduled for those that are less familiar with the process.
